## Post Salutes Early Donations to 2008 Spring Meeting

Many thanks to the following firms that have taken out ads or made contributions to the 2008 Spring Meeting. This year's event will be held on **Wednesday May 14 at the Burlington Marriott Burlington, MA** (note date and location) and you won't want to miss it. Our annual gala event is always a highlight of the year with great networking opportunities as we recognize the outstanding achievements of the scholarship winners. There is still time to make your contribution to support scholarships for undergraduate engineering and science students so please make that contribution today!!

## Post Receives Recognition

SAME National recently announce the winners of the annual Streamer awards and the Boston Post received Streamers for Outreach/Communications, Relationship and Recognition, Readiness/National Security and Membership. Furthermore, Post Member, Rich Sperandio of Tetra Tech was nominated for the Goethals Medal and he received Honorable Mention for this award. The Goethals Medal is presented annually for eminent and notable contributions in engineering, design, or construction. Rich was recognized for his role as the engineering manager for the Perini and Tetra Tech Overhead Coverage System Project Team in support of U.S. forces deployed in Iraq. Congratulations to Rich and to Tetra Tech and Perini for their outstanding support to our troops.

## Young Member Ski Event A Hit

A small but spirited group of Post members and guests enjoyed a day on the slopes at Mt. Wachusett as the Young Members led the March meeting. So much fun was had there was discussion of making this an annual event. The less adventurous came for lunch and heard from Dave Crowley of Mt. Wachusett Ski Area on the challenges of running the ski area. Thanks to Joe Bocchino for arranging the outing. The business portion of the Post meeting was not conducted in March so voting for Post Officers and revisions to the Post Constitution and By-Laws will take place at the April 8 meeting.
